BUILDING ohio

Products & Technologies

NEW FOR 2007!

A New Advertising Section

Have a new product or technology that you would like to introduce to Ohio contractors? Here s' your chance!

AGC of Ohio is introducing a special advertising section for New Products and Technologies! For only $250, you can include a photo, 100-word description and purchase information. To advertise in this section, fill out the form below. A sample of the layout of how it will look in the magazine is provided on this form.

Building Ohio magazine is the official publication of the Associated General Contractors (AGC) of Ohio. AGC of Ohio is a commercial construction association and its members include Ohio's leading general contractors, as well as subcontractors and service providers. *Building Ohio* is mailed quarterly to approximately 2,500 people.
