

# Promote Your Green Building Projects!

We want to hear about your company's green construction! The Spring 2008 issue of Building Ohio magazine will feature green building technologies and projects. All AGC members are welcome to submit up to 2 projects for the issue.

If your company has a green project that has been completed within the last year or is currently under construction, please send a description of your project and its green elements in 200 words or less. Along with your description, please provide an electronic copy of a project photo, preferably a high-resolution file. We can accept .tif, .gif, .bmp, and .jpegs.

Deadline to submit information is February 22, 2008.

Contact Caroline Saxon for any further information.
