

BAKER CONCRETE CONSTRUCTION, INC.

2012-2013 Scholarship Application

DESCRIPTION

Baker Concrete Construction, Inc. has established a scholarship program that will award an annual scholarship for a minimum amount of \$500. The scholarship is intended for Baker co-workers and relatives (immediate family) who are future construction professionals and tradespeople with the desire to positively influence the construction industry. Awards will be disbursed in the summer. All applicants will be notified as to whether or not they receive a scholarship. Students are eligible for one Baker Concrete Construction, Inc. scholarship per year.

Since being founded in 1968, Baker Concrete Construction has become a national leader in many types of concrete construction, including commercial/institutional, industrial and manufacturing, highway and transportation. Recognized by ENR magazine as the largest concrete contractor in the nation, Baker's operations include offices in Ft. Lauderdale, FL; Phoenix, AZ; Denver, CO; Raleigh, NC; Washington D.C.; Houston, TX; and the corporate office in Monroe, Ohio. Baker Concrete's commitment to hard work, quality, safety, and service has earned it the reputation for customer satisfaction.

REQUIREMENTS

Applicants must meet the following requirements to qualify for this scholarship:

- Pursuit of a career in the construction industry such as: construction management, civil engineering, architectural engineering or structural engineering.
